THE THREE PROBLEM

SOLVING PIGS

Presented by Wolf Trap Master Teaching Artists Joe Pipik & Jeanne Wall

FEBRUARY 29, 2024

In this STEM-oriented retelling of the classic tale of The Three Pigs, parents and children are introduced to a simple six-step process to aid the pigs in overcoming the threat of the Big Bad Wolf. When foiled, the wolf learns of these six problem-solving steps and uses them to solve his hunger problem in a way that benefits the pigs and the wolf.

KINDERGARTEN REGISTRATION

Kindergarten Registration: It's as Easy as 1-2-3...

There's an easy five-step process for parents wanting to register their child for kindergarten:

- 1. Determine eligibility.
- 2. Identify your local school.
- 3. Gather documents.
- 4. Fill out forms.
- 5. Schedule an appointment.

After the appointment at the school (the student and one caregiver must be present), the student will be ready for orientation, Bridge to Kindergarten, or any other introductory events each school may host. Read more about the <u>registration process</u>.
