# Room News

Hello families!

This is a short week, but we are continuing to learn about Dr. Martin Luther King Jr. and how he worked to get unjust laws changed and bring people together through speeches, nonviolent marches, and more!

In math, we have started our unit on Time. We are talking about how to use the hour hand and minute hand to tell what time it is. Have your student tell you what time the clocks below say! Write the time on the digital clock.

Reminders: No school on Monday, January 27th or Tuesday, January 28th. Congratulate your student on being halfway done with 1st Grade!

Thank you,  
Ms. Setash

# Room News

Hola familias

Esta es una semana corta, ¡pero continuamos aprendiendo sobre el Dr. Martin Luther King Jr. y cómo trabajó para cambiar las leyes injustas y unir a las personas a través de discursos, marchas no violentas y más!

En matemáticas, hemos comenzado nuestra unidad a tiempo. Estamos hablando de cómo usar la manecilla de hora y la manecilla de minutos para saber qué hora es. ¡Haga que su estudiante le diga a qué hora dicen los relojes a continuación! Escribe la hora en el reloj digital.

Recordatorios: No hay clases el lunes 27 de enero o el martes 28 de enero. ¡Felicite a su estudiante por haber terminado la mitad del primer grado!

Gracias,

Ms. Setash
